Management commentary

Sector: Residential aged care

Occupancy across our three homes averaged 91.4% in September, up from 89.8% in June. Agency staffing costs remain elevated while we recruit permanent registered nurses for the Ballarat home.

On an adjusted basis, excluding one-off agency and redevelopment consulting costs, twelve-month EBITDA was $4.35m. We consider these costs non-recurring.

Cash was lower at month end due to the timing of government funding receipts, which arrived on 2 October.
